

The History of Casa Valduga Brazilian Wines

In 1875, the first immigrant from the Valduga family came from Trento – Italy, made landfall on Brazilian soil in an important region today known as Vale dos Vinhedos.

It was here that the first vines were planted and gave rise to a story intertwined with the development of Brazilian viticulture

CASA VALDUGA
DESDE 1875

Today, more than 140 years of descended tradition is combined with the latest fine wine production techniques in Brazil
